02. Vienna Design Week September 28 - October 7

Vienna Design Week is Austria's largest design festival, with a variety of locations and happenings in the country's capital. The festival, curated by Lilli Hollein, entered its 12th round this year. Opening up creative processes and offering scope for experimentation on site are the core elements of the festival concept.

It believes that design is more than just a designed object and argues that design is an essential part of the cultural production process. It aims to show that design shapes our material culture, our everyday life and our world as consumers.
